MELTON MOWBRAY AMATEUR RADIO SOCIETY

GENTLEMEN:-

"Break" Off. Your necks. Your Wife's. Your Kit-Kat. But break what you're doing and read this.

At the Annual General Meeting of the Society, well publicised and held on the 19th September 1968 only 50% of members attended. Were YOU there?

The forthcoming Winter and Spring Programme selection was left to the stalwart "few" and here it is.

PROGRAMME
