Dear O.M.,

The June Meeting will take the form of a visit to the Electronic Telephone Exchange at Wymeswold, and arrangements have been made for this to take place on Friday, June 23rd, 1972. This should prove to be a most interesting visit, especially following Jack Bowley's talk earlier this year. I hope that you will be able to attend. We are meeting at 7.15.p.m. at Wilton Road Bus Station and will proceed to Wymeswold, after sharing car seats to those without transport.
