- Please also remember that our Insurance Policy is effective **for Third Party Liability**. Members attending our events including Field Days and Contests in the field etc., and particularly the annual **Donington Show** as part of the workforce, should effect their own insurance if they require cover for injuries sustained **to** themselves as the Society disclaims any liability in this respect.
- **THE SUMMER MONTHS** find us attending several local events and competing in radio "Field Day" contests using our superb portable equipment and mobile shack. Your support would be most welcome - it is **YOUR** equipment so come and help, use it and enjoy it!
- **MMARS AGM 2007** (the 49th) will be held on Friday 21st September 2007 and formal Notice will be despatched in August to all Members.
